RE: Introducing our New Agency Name

Dear Valued Consumers, Care Providers, Vendors, Business Associates;

Effective April 3, 2017, we are excited to announce that we are changing the name of our agency from Cerebral Palsy of Massachusetts, Inc to **Tempus Unlimited, Inc.** One of the meanings of the word Tempus in Latin is opportunity. We strive to provide unlimited opportunities for people with disabilities.

Our new name reflects our commitment to continue our mission of providing a continuum of services that support the efforts of children and adults with disabilities to live as independently as possible in a less restrictive and safer environment.

This name change better reflects how the agency, through its programs and services, encourages the inclusion of people with disabilities into the mainstream of society including social, recreational, family and work activities. Our new agency name supports our commitment to *Opportunities for Independence.*

Our Agency today provides services for all disabilities and includes services beyond where the agency began in 1952, but we have not changed our mission. Our Options Program, which includes Personal Care Management (PCM), Supported Living Program, Adult Foster Care, Competitive Integrated Employment Services, Pre-Employment Transition Services, Transportation Services, a Resource Department, and Social, Recreational and Therapeutic Services will also be discontinuing the use of “Options Program” and will be referred to as Tempus Unlimited, Inc.

Our new internet address will be www.TempusUnlimited.org and our email addresses will change to the domain **@TempusUnlimited.org**

The agency will continue to operate in its current structure, and your contacts will remain unchanged. Other than these visible changes, there is no change in ownership and no change in staff. Our office location, main telephone number, and fax numbers will remain the same as below:

Address: 600 Technology Center Drive, Stoughton, MA 02072

Phone: 877-479-7577

Fax: 800-359-2884

Our telephone numbers and fax numbers associated with programs will also not be changing.

With over 60 years’ experience serving people with disabilities, we look forward to continuing to grow to serve you in Massachusetts and beyond...under our new name, **Tempus Unlimited, Inc.**

Should you have any questions regarding this name change, please feel free to contact the agency staff you generally work with.

Sincerely,
