

Quick Start Guide

Logging into the EVV Mobile App

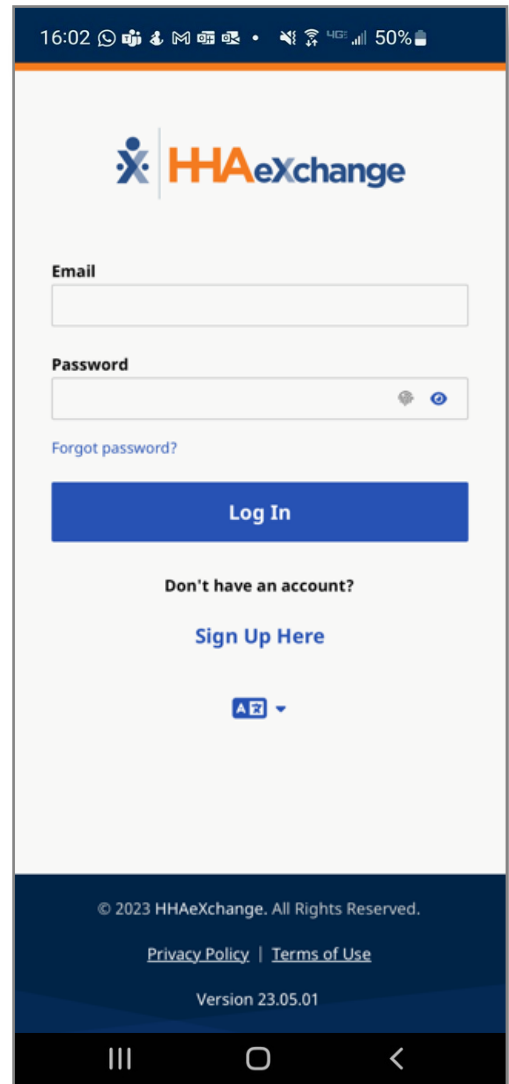

To log into EVV Mobile App, please follow these steps:

1 Step 1 - Login

To log into the EVV Mobile App, locate this icon on your phone's homescreen and tap on it.

When you see this page type your email address and your password, and then tap the **Log In** button.

The screenshot shows the login interface of the HHAExchange mobile app. At the top, there is a status bar with the time 16:02 and various system icons. Below that is the HHAExchange logo, which features a blue stylized human figure icon followed by the text "HHAExchange" in a bold, sans-serif font. The main content area contains two input fields: "Email" and "Password". The "Password" field has a small eye icon to its right. Below the password field is a link that says "Forgot password?". A prominent blue button labeled "Log In" is centered below the input fields. Underneath the button, there is a link that says "Don't have an account?" followed by another link "Sign Up Here". At the bottom of the screen, there is a dark blue footer containing the copyright notice "© 2023 HHAExchange. All Rights Reserved.", links for "Privacy Policy" and "Terms of Use", and the version number "Version 23.05.01". The bottom of the screen shows the standard Android navigation bar with three icons: a square, a circle, and a triangle.

2 Step 2 - Select Consumer

You should now see a list of your consumers. Tap on the **name of the consumer** you are working with.

You can now log into the EVV Mobile App.
