Password Reveal Icon

|	
Why the Change?	Users could not view what they were typing when entering their password; This resulted in password errors and multiple attempts, which led to users being locked out of their accounts.
What Changed?	Now just like the mobile App, a password reveal icon has been added to the password entry line when logging into the Portal.
Who is Affected?	Consumers, Surrogates and PCAs when logging in the Portal.
When will it take affect?	May 9, 2024

TEMPUS UNLIMITED, INC.
Opportunities for Independence
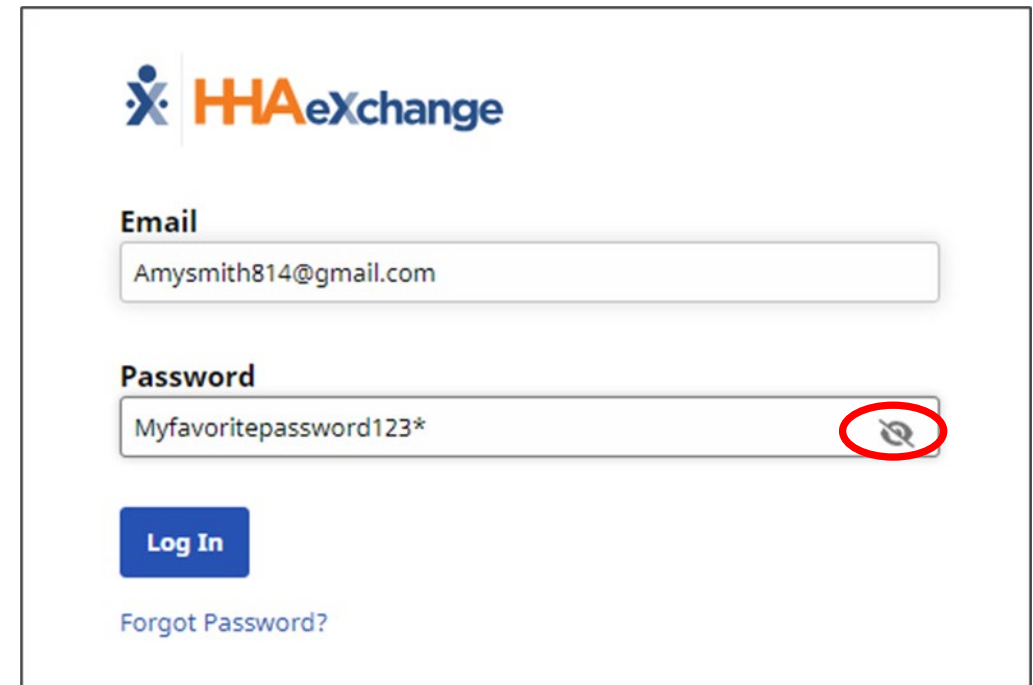

Password Reveal Icon

Just like the Mobile App, when logging in to the Portal, users can now click on the password reveal icon "eye," on the right side of the password entry line, to reveal masked password characters.
