

Quick Start Guide

For Logging into the EVV Mobile App

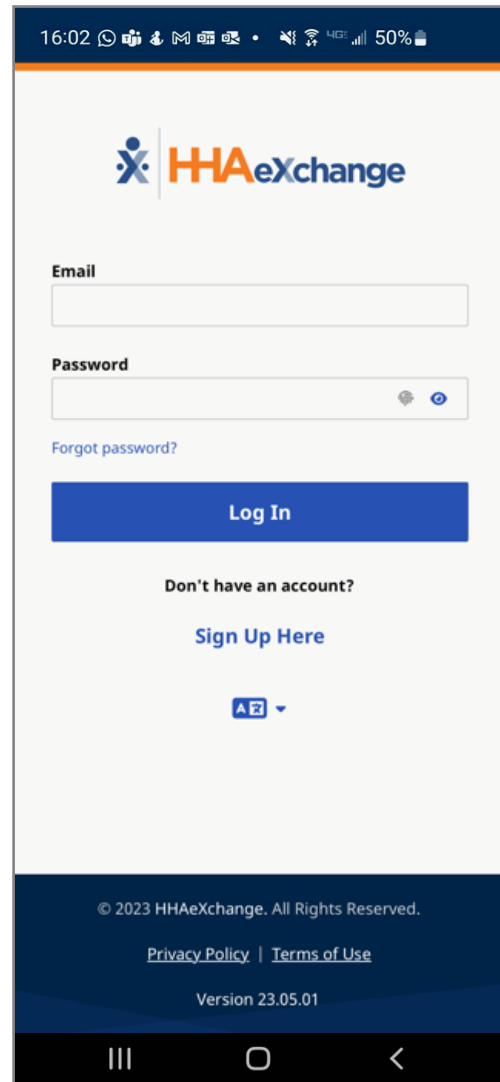

To log into EVV Mobile App, please follow these steps:

1 Step 1 - Log In

To log into the EVV Mobile App, locate this icon on your phone's homescreen and tap on it.

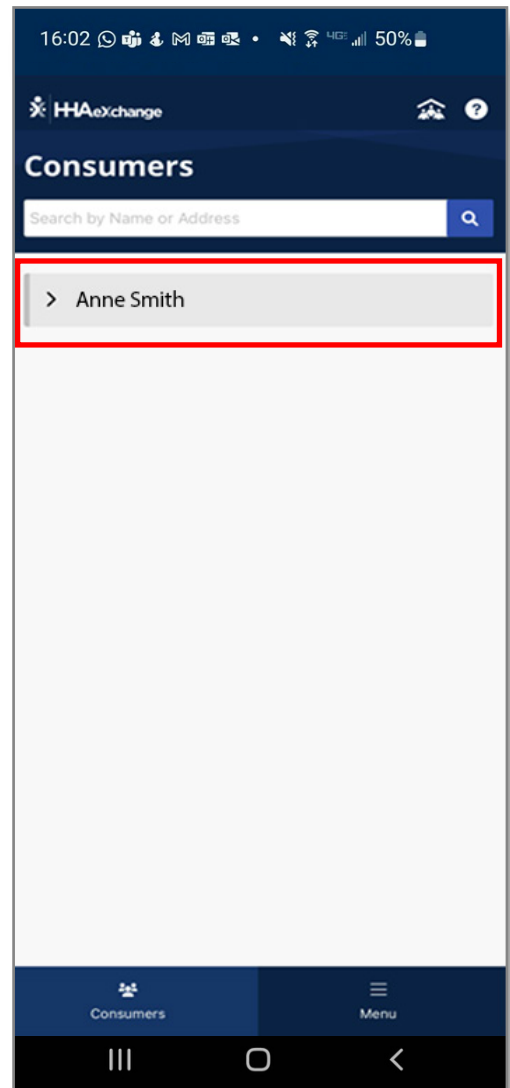

When you see this page type your email address and your password, and then tap the **Log In** button.

2 Step 2 - Select Consumer

You should now see a list of your Consumers. Tap on the **name of the Consumer** you are working with.

You can now log into the EVV Mobile App.
