# EVV Device Quick Start Guide

Congratulations! You are now the new owner of an electronic device acquired through the EVV Device Voucher Program.

Setting up your device

Watch this Video: https://tempusunlimited.org/evv-devices/#device_setup

Or follow these basic steps

1. Charge your device
2. Press and hold the Power Button (see image) for a few seconds to power on your device.
3. Select a language, then press "Start."
4. Connect to Wi-Fi
5. Set up or create a Google account
6. When asked for phone number, tap "Skip"
7. Review account name and tap next
8. Read the privacy and terms, select "I agree."
9. Tap "Confirm"
10. When the Google Service Page appears, scroll to the bottom and tap "Accept"
11. Setup a 4-digit passcode. *Do not forget this passcode or you will not be able to access your device*
12. When prompted to use Google assistant, tap "Skip" then "No Thanks"

Power Button

Internet access is required for:

- Device setup and EVV registration
- PCA shifts to upload from the App*
- Consumer to approve the shifts in the Portal.

*Internet access **is not needed** during clocking in and out. The PCA's device will store all shift information until WiFi is available.

EVV Training

Next Step: Attend EVV Training

Training is In-Person, Virtual or Self-Paced
https://tempusunlimited.org/evv-trainings

For EVV Support call 877-479-7577; Option #9

You can scan this QR code using your device's camera to access the training section of the EVV website
