Tempus Unlimited Open House

In April, we hosted an Open House offering information for each of our Community Services Programs.

Together, we shared and learned information about our Adult Foster Care, Employment Services, Personal Care Management, Supported Living, Social, Recreational, Therapeutic Services, and Resource Programs.

If you were unable to make it, join us for our next Open House in the coming future!

Frank Bellotti, Jr. Wellness Center

Tempus Unlimited opened the Frank Bellotti, Jr. Wellness Center in January of 2018. This space offers the opportunity for consumers to improve health and wellness through physical activity in a safe, friendly, and fully accessible space.

A personal trainer provides individual 1-on-1 support to consumers who use Tempus Unlimited Community Services programs to assist with their personal health and fitness goals. Featuring a variety of fully accessible machines, consumers are able to follow a weekly supervised fitness routine under the guidance of trained staff.

Eligibility for the Wellness center includes any participant involved with Tempus Community Service programs.

Tempus Unlimited Personal Care Management (PCM) Services

Tempus PCM staff are working hard to provide our communities with great knowledge and information about how to access the MassHealth PCA program, and the eligibility requirements. Consumers who use the PCA program are the employer of their Personal Care Attendants (employees). This program empowers consumer/employers to manage the care they receive according to the Prior Authorization of care hours approved. Tempus PCM trains on best practices for program management. Tempus PCM works with SCO, One Care, CCM, PACE and FFS partners.

Employment Services Workshop

Our Employment Services Program hosted an *Overcoming Obstacles* workshop for our Consumers. Through interactive and engaging lessons, participants explored strategies to navigate challenges that may seem overwhelming at first.

We had the pleasure of following an instructional painting class, where individuals created a scenic sunrise over a beach. Each painting holds a unique story, reminding us that creating artwork may seem difficult at first, but with patience and inspiration, it will turn into a masterpiece.

Employment Services Program

The FI Program successfully launched Seniority Pay for PCAs on April 1st.

This initiative was the result of a year-long collaboration with MassHealth and HHA to implement seniority-based pay rates for PCAs. Eligibility is determined by total hours worked as a PCA since 2008, following the completion of new hire orientation. There are now five distinct pay rates that a PCA may qualify for based on their seniority.

Adult Foster Care Program

Tempus Unlimited’s Adult Foster Care Program is helping 125 families living at home!

The Tempus Unlimited Adult Foster Care Program is a MassHealth, One Care or Senior Care Options (SCO), All Inclusive Care for Elders (PACE), or Community Case Management (CCM) funded program for individuals who are 16 years of age or older who require live- in personal care with activities of daily living, along with ongoing supervision, to maintain a healthy and safe home environment.

Our AFC Program began in 2011, we have 21 families that have been with us for over 10 years. Our staff has built lasting, meaningful relationships with the families we work with. In many ways, each member of our team is a caregiver-whether they’re supporting children, aging parents or grandparents, or loved ones with disabilities. Our staff knows, in their own way, the challenges of being a caregiver-making every visit more personal and special.

Supported Living Program

Consumer Summer Party

A heartfelt thank you to everyone who joined us for our Consumer Summer Party! It was an unforgettable day filled with joy, laughter, and community. We loved seeing so many familiar faces come together to celebrate!

From the upbeat music and delicious food to the vibrant tie-dye station and fun photobooth, the day was packed with memorable moments! We're so grateful to have such an amazing community, thank you for making the day so special!

26th Annual Golf Classic

Thank you to everyone who joined us out on the green for a beautiful day of golf! Each year, the proceeds from this tournament go directly toward our scholarship program, helping high school graduates with disabilities continue their education into college. We are incredibly grateful for everyone's support, and can't wait for next year!
