Consumer Gatherings

We are so grateful to all of our consumers who joined us for our fall and holiday gathering to enjoy a delicious lunch together. It was wonderful to see so many smiling faces and laughter shared. We also had the extra joy of celebrating TWO special birthdays! Bringing people together to create lasting memories and enjoy genuine time together is what makes these days so meaningful!

Introducing Amy...

After years of medical challenges, rehabilitation, and waiting for stable housing, Amy has officially moved into her own apartment, and she couldn't be happier. Having spent six years at a rehabilitation center while awaiting housing, a new home represents more than just an address. It means privacy, independence, and a space to truly call her own.

Amy is grateful for her new furniture, her new home, and the fresh start ahead. Tempus Unlimited was proud to support her through this journey into her new apartment and to take her grocery shopping to get settled.

Today, we're proud to spotlight Adjuto, our dedicated Facilities Supervisor.

Since joining Tempus in April of 2017, Adjuto has been behind everything building-related, keeping our workdays running smoothly behind the scenes. Before his time with Tempus, Adjuto served in the United States Marine Corps from 2009 to 2012. One lesson that stayed with him from his service is "always leave a place better than you found it" - a motto he continues to use through his work and leadership.

When asked about his favorite part of the job, Adjuto shared:
"Seeing the change we make as an agency with the consumers we support."

Thank you for all that you do, Adjuto!

Scott Clements had his entire future planned out. He expected to attend college on a full track scholarship and pursue a career as a physical therapist. But everything changed one night during his senior year of high school when Scott suffered a life-altering accident. While walking home, he was struck by a car and sustained a traumatic brain injury that required months of hospitalization and rehabilitation...

Despite his many challenges, he refused to give up. Today, he is the proud owner of Clements Painting, LLC. A company he built entirely from the ground up. His journey is a powerful reminder that determination can grow into new beginnings.

For more than 10 years, Tempus Unlimited has partnered with Wellspring Farm to support children in their therapeutic horseback riding program and many other extraordinary activities.

Wellspring Farm is a multidisciplinary outpatient practice offering mental health and behavioral therapy for children, adolescents, adults, and families. Their services include equine, animal, and environmental assisted psychotherapy, along with a wide range of counseling and therapeutic supports.

This week, we had the pleasure of visiting Jim and Holly Vogel, owners and founders of Wellspring Farm Learning Center, and capturing some beautiful moments around the farm. We're grateful for this long-standing partnership and the meaningful work they do every day.

The Tempus Unlimited **Veteran Directed Care (VDC) Program** is a VA Healthcare System Program that works with Massachusetts Aging and Disability Network Agencies (ADNAs) to provide the VDC program to Massachusetts Veterans and Rhode Island Veterans.

This program provides Veterans in need of nursing home level care, a budget to buy services to support them in their homes. Tempus Unlimited performs employer-required tasks and related administrative tasks for individuals ("Employers") in our VDC Program as the Fiscal Intermediary (FI).

What Services are Available?

- Hiring private caregiver(s) to complete activities of daily living (ADLs) such as eating, bathing, dressing, grooming, and toileting
- Adult day health care
- In-home respite services from community home care agencies
- Assistive technology such as emergency response systems and electronic pill reminders
- Snow removal
- Durable Medical Equipment (DME) and personal care supplies not provided by the VA
- Individual requests for medically necessary items will be reviewed on a case-by-case basis

Eligibility

The Veteran:

- Is Enrolled in the VA Healthcare System
- Has had a Primary Care appointment with a VA Medical Center primary care provider during the previous 12 months
- Is dependent on another person to complete -bathing, grooming, dressing, toileting, eating, ambulation, transferring, and bed mobility.

For more information, visit our website below.
